SUNDAY 3RD OCTOBER 2021 TWENTY SEVENTH SUNDAY YEAR B

Parish Mass Book Page 140 Order of Mass P6, The Creed P12

The book of Genesis tells us that we are created to be in a relationship. It is not good that the man should be alone. Adam was incomplete by himself. When he was given Eve, he exclaimed in delight "This at last is bone from my bones and flesh from my flesh". He was made more wholesome and complete by the company of another.

Marriage is made for mutual fulfilment. But of course, this is not the only way to fulfil this need for the other. Today we are more aware of the complexity of human sexuality and we are learning to respect it. We are also aware of many ways in which people can forgo sexual love in committing their lives to others: aged parents, the poor, the disadvantaged, homeless children etc... Thanks to Jesus, we recognise also the gift of celibate love in which women and men consecrate their lives to God and offer themselves to the human community in special ways of devoted service.

Love is beautiful, but it is also delicate, and it can be fragile. We have to face the possibility and the pain of relationships failing or turning sour. Jesus is asked his opinion on the topic of divorce which often disadvantages women and leaves them completely vulnerable. He challenges the men of his time to focus on God's design for marriage as a relationship based on love, respect and equality.

Whatever path we walk in our journey of giving and receiving love, we are not meant to be alone. We need community, and it is here that the Church has a key role, in supporting us as we strive to build love and in supporting us when our efforts collapse about us. Everyone in this church, whatever our past history, is capable now of loving and receiving love. We must not compare ourselves to others or attempt to measure our love. Knowing that we are not meant to be alone, let us take whatever small steps of love present themselves to us and we will be astonished at the results. God is love and so love – any real love – is the stuff of which miracles are made.

Family Fast Day ~ CAFOD Donations

In the UK, for the last sixty years, the Catholic Church has marked harvest time by observing CAFOD's Family Fast Day on the first Friday in October. **Please place your donation in the separate basket in the porch, where there are some donation envelopes available if you didn't manage to pick one up last week.** You can find out more details at: <https://cafod.org.uk/Fundraise/Family-Fast-Day>

The Rosary during October

The Rosary will be said before midweek mass at All Saints Church and also remains available on both St. Lewis and St. Catherine & All Saints websites. To join in, choose the heading 'Videos' and then 'The Rosary'.

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to your protection, implored your help or sought your intercession, was left unaided. Inspired by this confidence, I fly unto you, O Virgin of virgins, my Mother. To you I come, before you I stand, sinful and sorrowful. O Mother of the Word incarnate, despise not my petitions, but, in your mercy, hear and answer me. Amen.

St. Lewis - After 9am Mass - this will take place **every week** and everyone is welcome...the more the merrier!!

All Saints - After 10:30 Mass - this is currently taking place **every other week** and will be in the Francis Room

Season of Change Service

Many thanks to everyone who came to our Ecological and Ecumenical Prayer Service this week. During the Service we thanked God for His gift of creation and looked at how our life-styles are contributing to the climate crisis and climate and social injustice where the poorest people suffer most from the effects of climate change. Pope Francis has told us that we do not have an option, we have to make a commitment to do something to alleviate the situation. Abraham's tent was used to signify our common home and how all people are equal and welcome. In the church porch you will find Abraham's tent cards. Please take one and on the back write your commitment. It may be turning off lights which are not in use, recycling properly or signing Pope Francis's petition 'Healthy Planet, Healthy People' etc... you can sign the petition by going to the following website: thecatholicpetition.org

St. Lewis SVP ~ Meeting

The next meeting of the St. Lewis SVP will take place at St. Lewis Church on **Wednesday 6th October at 7:30pm**. If anyone wishes to find out about becoming a member of the SVP please call the Parish Office and we will pass on your details and an SVP member will call you.

Refugee Project

The next batch of garments will be sent off within the next week. If anyone has completed (or nearly completed) items that they would like to include in this delivery, please contact Jean Marsh or Margaret Ruxton to arrange collection. (If you need their numbers please contact the parish office). Thank you for your constant hard work, which is very important and more urgently needed than ever.

Please remember in your prayers: the sick of our community and all those who have died recently including Shirley Cartwright and all whose anniversaries occur at this time.
